

DANGEROUS GOODS & ELECTRONICS POLICY

1. Introduction

AL Airways places the highest priority on passenger safety. Certain items are classified as dangerous goods due to fire, explosion, or chemical risks. This document outlines the rules governing the carriage of electronic devices, lithium batteries, power banks, e-cigarettes, and prohibited items on AL Airways flights.

All policies comply with international aviation safety standards.

2. Power Bank Rules

Power banks are classified as lithium battery-powered devices and are subject to strict regulations.

2.1 Cabin vs Check-In

- **Allowed only in cabin baggage**
 - **Not permitted in checked baggage**
-

2.2 Capacity Limits

- **Up to 100 Wh:** Allowed without airline approval
- **100–160 Wh:** Allowed with prior airline approval
- **Above 160 Wh:** Not permitted

Power banks must be individually protected against short circuits.

3. Lithium Battery Limits

3.1 Spare Lithium Batteries

- **Allowed only in cabin baggage**
 - **Must be individually protected**
-

3.2 Battery-Powered Equipment

- **Installed batteries in devices are permitted in both cabin and checked baggage**

- Devices must be completely switched off if placed in checked baggage
-

4. Laptops & Electronic Gadgets

4.1 Permitted Devices

- Laptops
 - Tablets
 - Mobile phones
 - Cameras
-

4.2 Security Screening

- Devices may need to be removed during security screening
- Must comply with airport and security authority instructions

AL Airways is not responsible for damage to electronic devices placed in checked baggage.

5. E-Cigarettes & Vaping Devices

5.1 Carriage Rules

- Allowed **only in cabin baggage**
 - Use onboard is strictly prohibited
-

5.2 Restrictions

- Charging e-cigarettes onboard is not permitted
 - Must be protected from accidental activation
-

6. Prohibited Items

The following items are **strictly prohibited** in both cabin and checked baggage:

- Explosives and fireworks
- Flammable liquids and gases
- Toxic or infectious substances

- Corrosive materials
 - Self-balancing devices (hoverboards)
-

7. Passenger Responsibility

Passengers are responsible for:

- Declaring restricted items
- Ensuring compliance with safety regulations
- Following crew instructions

Failure to comply may result in confiscation or legal action.
